for
Implant Education 101

Fundamentals Refined
Implant Education Redefined

Dr. Darshan Parikh, is a graduate of the prestigious Nair Dental College, Mumbai. He maintains a curated boutique practice in the heart of Pune City.

A certified Master Course Instructor for the International Training Centre for Dental Implantology, Germany. As Program Director for IFZI in India, he trains dentists in practical Implantology.

A marathoner and sports enthusiast, he believes that correct training is what it takes to get across the finish line.
